Officer Report (7)

Officer: Niamh Kennedy

Title: Deputy President for the Midwest

Month/s: February 2024

(a) Details of Work Undertaken from 1st of February – 29th of February 2024

RAG MONTH

February started off with Thurles RAG week then to Clonmel RAG week, then to LSAD RAG, and finally to Moylish RAG Week. My role this month was support for the Vice Presidents who have done an unbelievable job of organising RAG Week events for students across the Midwest. I must particularly compliment the Vice President for Thurles and Clonmel who organised two entire RAG weeks for two campuses.

Developing activities and campaigns with Midwest Vice Presidents

I spend a lot of time each month aiding the Midwest VPs and PTOs develop campaigns and events for their campus.

TUS Governing Body

Three of our Union officers sit on TUS Governing Body, the President, the Deputy President for Postgraduate Affairs and myself. The Governing Body of Technological University of the Shannon: Midlands Midwest was established in accordance with the provisions of the Technological Universities Act 2018 and its functions are as identified in the Act. Good governance arrangements are essential for organisations large and small and whether operating in the public or private sector. Governance comprises the systems and procedures under which organisations are directed and controlled. It is a privilege to represent the interests of Midwest students on the highest governing authority in TUS. The Governing Body meets once a month in either Moylish or Athlone.
