Officer Report (8)

Officer: Niamh Kennedy

Title: Deputy President for the Midwest

Month/s: March 2024

(1) Details of Work Undertaken from 1st of March to 29th 2024

Election Promotion in the SU

In March we held our elections for Student Union officer team 2024-25. I worked with staff and other officers to ensure students across all campuses voted.

USI National Congress

Congress is the supreme governing body of the Union of Students in Ireland. It decides the policy of the union and holds the National Council, officers and committees of the union to account. Every year around Easter, the Union of Students in Ireland gathers representatives of all the member colleges together in one place to decide on the policies of the union, the future plans of the organisation and to elect the core of its Officer Board – the group of officers whose job it is to lead the whole organisation.

As Deputy Midwest, I spoke on motions that I felt represented the values of students across TUS Midwest. I also ran for USI elections for the position of Vice President for the Southern Region and I got elected! I am absolutely delighted to represent students' for another year in USI.
