

Officer Report (8)

Officer: james skerritt

Title: Vice President for Education and welfare lsad ennis

Month/s: March report (8)

(1) Details of Work Undertaken from 1st of March to 29th 2024

(Casework)

This month I dealt with lots of casework dealing with both student welfare and education issues. Casework was lower this month than in previous months and because rag week was over and all sorted I was able to give more time and effort to every student who came through my door. I also bought a couch for my students

(Events)

This month I worked hard to put on the LSAD v NCAD match in Dublin, this turned out to be a huge success with players and supporters able to make friends during and after the match. I hope this event becomes an annual thing.

(Campaign Work)

This month I kept my Instagram account active and highly engaged making many posts for TUS pride week, explaining USI, election information and couch promotion
