

Election Calendar Timelines Disclosure

Proposed by the Deputy President for Postgraduate Affairs to the TUSU Student Council

Student Council notes

Clarity and transparency in election processes are vital for ensuring fairness and student participation and, at the last general election, there was confusion about timelines, making it difficult for candidates and students to plan effectively.

Student Council mandates

TUSU to publicly disclose the complete and detailed calendar for each TUSU general election six weeks before polls close.

Student Council further mandates

TUSU to examine the feasibility and implications of incorporating the requirement for disclosing of the general election calendar into the TUSU Constitution, upon the next constitutional review.
